#### Cost of Living

The Australian government recommends you budget around \$1800 per month for living costs. This includes your food, transport, accommodation and other living

Students who have any school-aged dependants accompanying them will be required to pay full fees at a private or government school in their city of residence.

All fees are in Australian Dollars. Langports reserves the right to change its fees at any time. All fees are inclusive of GST where applicable.

Payment can be made by Bank Draft or International Telegraphic Bank transfer. Bank account details will be provided on each invoice.

Credit cards can also be processed but incur a 3% surcharge on all transactions. Visa and MasterCard cards accepted.

# Transfer between Langports English Language College Brisbane & Gold Coast

Langports English Language College encourages students to pre-book courses at multiple campuses. The minimum study period at each campus is 4 weeks. Only one enrolment fee and accommodation placement fee will be charged. If a student cancels the second campus enrolment but extends their stay in the first campus for the same number of weeks, there is no cancellation fee. However, if a student cancels their second campus and leaves Langports early then the Cancellation and refund policy will apply.

If a student has commenced their course and wishes to transfer campuses, they must give 2 weeks' notice in order to transfer and study at least 4 weeks in the next school. However, students studying a closed course are unable to transfer campuses during the closed course. The following conditions will apply:

• Transfers can only be made if there is space in the new location

- Students must have an overall attendance rate of 80% or higher to be considered for a transfer
- Transfers can only be processed and confirmed if the student has no outstanding fees.
- For some transfers, fee differences between the campuses may apply for example, some additional charges if the new campus is a higher price or a refund could apply if the new campus has a lower price. If the student enrolled at Langports English Language College Brisbane or Gold Coast with a promotion that was only applicable at one campus, then they will need to pay the difference in fees between the promotional rate and the standard rate for that country for the remainder of their enrolment in the new campus. If the student has enrolled under last year's prices but now wants to transfer to another campus then the current year's prices (published or market price)
- Any accommodation placement fee will be 50% of the normal fee if there has been no extension of enrolment weeks - minimum 4 weeks.
- If a student completes the transfer paperwork and the transfer is processed, but then the student changes their mind and stays at the original campus a processing fee of \$100 will be charged.
- If a student undertakes a transfer but then wishes to return to the original campus without extending their enrolment then they will incur an admin charge of \$100 and an accommodation placement fee will apply if applicable. If the student is extending their enrolment to do this then the admin fee does not apply.

However, if a student cancels their second campus and leaves Langports early then the Cancellation and

If a student has commenced their course and wishes to transfer campuses, they must give 2 weeks' notice in order to transfer and study at least 4 weeks in the next school. However, students studying a closed course are unable to transfer campuses during the closed course. The following conditions will apply:

- Transfers can only be made if there is space in the new location
- Students must have an overall attendance rate of 80% or higher to be considered for a transfer
- Transfers can only be processed and confirmed if the student has no outstanding fees.
- For some transfers, fee differences between the campuses may apply for example, some additional charges if the new campus is a higher price or a refund could apply if the new campus has a lower price. If the student enrolled at Langports English Language College Brisbane or Gold Coast with a promotion that was only applicable at one campus, then they will need to pay the difference in fees between the promotional rate and the standard rate for that country for the remainder of their enrolment in the new campus. If the student has enrolled under last year's prices but now wants to transfer to another campus then the current year's prices (published or market price)
- Any accommodation placement fee will be 50% of the normal fee if there has
- been no extension of enrolment weeks minimum 4 weeks.

  If a student completes the transfer paperwork and the transfer is processed, but then the student changes their mind and stays at the original campus a processing fee of \$100 will be charged.
- If a student undertakes a transfer but then wishes to return to the original campus without extending their enrolment then they will incur an admin charge of \$100 and an accommodation placement fee will apply if applicable. ## **Terms and Conditions**

### Fees and Charges, Conditions and Courses

Langports reserves the right to change its fees, charges and conditions, cancel or defer courses, and to alter course timetables at any time without notice.

- Students will pay the price for their course at the current market price at the time of enrolment. Any specials offered by Langports at a later date only apply to bookings received during that special. Specials cannot be applied to previous bookings. All fees are in Australian Dollars and are inclusive of GST where applicable.

- Any late payments may incur a late fee of \$200.0 All transactions by Mastercard or Visa credit cards will incur a surcharge of 3%.

#### Invoices and Payment

For all non-student visa enrolments an invoice will be issued with a Letter of Offer. Payment in full should be made a minimum of 28 days before commencement of the study program or immediately if less than 28 days

For all student visa enrolments of 25 weeks or less, including study programs of 25 weeks or less made up of separate courses (with individual CRICOS course codes), one invoice will be issued with a Letter of Offer and Enrolment Acceptance (EA). The EA should be signed by the student or their legal guardian, if under 18 years of age, and returned with full payment of the invoice. A Confirmation of Enrolment and an eCOE will then be issued for the visa application.

Students studying UFO English on a study program of 26 weeks or more will be issued withtwo invoices covering the full study program with their Letter of Offer and EA. Each invoice will include the tuition fees cost for each half of the study program. Students have the following choice in regards to payment: a)They may, if they wish, pay the full amount of both invoices or

b)They may, if they wish, pay only the first invoice to receive the eCOE and the second invoice will be due for payment no later than 8 weeks after the commencement of their course.

In both cases the EA must be signed by the student or their legal guardian, if under 18 years of age, and returned with the appropriate payment. A Confirmation of Enrolment and an eCOE will then be issued for the visa application. The student will not be allowed to continue their study program if the second invoice has not be paid by the due date, ie 8 weeks after the commencement of their course. This may result in their eCOE being shortened and being reported to the Department of Home Affairs (DHA) and the Tuition Protection Scheme Director once all appeal processes have been completed.

#### Refund & Cancellation Policy

Clause 1: In the event of a cancellation, no refund will be made on the enrolment fee, accommodation placement or payment plan fee. If the student has not paid an enrolment fee then the value of the enrolment fee will be withheld from any refund

Where a refund is granted, this will be paid within 4 weeks of the date of the notice of cancellation to the person or organisation who paid the fees in the first place. Students must sign a refund authorisation form for the refund to be paid through the agent.

Clause 3 A study program at Langports may consist of one or more separate courses at one or more of Langports' campuses. - A \$30 administration fee will apply to all refunds and a further \$30 administration fee will apply to any refunds made through international bank transfers (total \$60).

# **Homestay Cancellation:**

- Cancellations received more than 4 weeks before course commencement will normally receive a full refund of fees, subject to clause 1.
- Cancellations received less than 4 weeks before course commencement will incur a cancellation charge equal
- to 2 weeks rent. • Minimum of 4 weeks homestay, unless the course is 1,2 or 3 weeks. If a student wishes to cancel their homestay within this 4 week period, no refund will be given. To cancel homestay a minimum of 2 weeks notice
- must be given. • After studies have commenced, 2 weeks notice must be given or a cancellation charge equal to 2 weeks rent will apply. Any unused accommodation fees will be refunded to the student within 2 weeks of submitting a refund request form.
- If you are asked to leave the homestay for any valid reason, for example due to unacceptable behaviour such as having someone stay over without prior permission, a cancellation payment of two weeks notice will be deducted from any refund due, in lieu of two weeks notice.

## Student Accommodation Cancellation

Each provider of student accommodation has a different policy. These are available on our website and will be on your offer letter.

Airport Greeting:

No refund will be made if the student fails to notify Langports of their flight details or any change of details less than 48 hours before arrival.

Cancellation of course by Langports:

If Langports cancels a course, for whatever reason, you will be offered a refund of all the tuition fees paid for that course to date. The refund will be paid to you within 2 weeks of the course cancellation. Alternatively you may be offered enrolment in another course at Langports at no extra cost to you. You have the right to choose whether you would prefer the refund of course fees or to accept a place on the alternative course. If you choose the alternative course you will be asked to sign a document to indicate that you accept the placement.

If in the unlikely event that Langports ceases to operate and is unable to provide a full refund, students on student visas will be able to access the Tuition Protection Service (TPS) which offers an on-line placement and tuition refund service for international students affected by such provider closures.

Failure of a student to abide by the Code of Conduct may result in the student being suspended or expelled. In the event that a student is expelled there will be no refund of fees. The following steps must be taken before imposing a suspension or cancellation,

- inform the overseas student of that intention and the reasons for doing so, in writing.
   advise the student of their right to appeal through the Langport's internal complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days

- When there is any deferral, suspension or cancellation action taken under this standard, Langports will:
   inform the overseas student of the need to seek advice from Immigration on the potential impact on his or her student visa
- report the change to the overseas student's enrolment under section 19 of the ESOS Act.

The suspension or cancellation of the overseas student's enrolment under Standard 9.3 cannot take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

**Deferring, Suspending or Cancelling Students' enrolments**Students must start their course on the allocated start date unless they provide a minimum of one week's notice in writing to defer their course. If notice is less than one week or a student does not show up on the designated start date, Langports will charge one week's tuition fee and the course will not be extended by the time lost. If notice of deferment is not received within 48 hours of course commencement, the course will be cancelled. Students can only defer their start date once without penalty. Langports is required to report any student default within 5 working days if a new start date has not been confirmed and a new eCOE issued for students on a student visa.

Students may also defer their accommodation. However, more notice must be provided by the student and or agent. For homestay, 2 weeks' notice is required to defer without charges. Student Accommodation providers may not be able to defer bookings due to availability. If Langports is provided with at least 2 weeks' notice, we can do our best to defer the booking, but it cannot be guaranteed, nor can we guarantee to maintain the price that was originally offered. If the accommodation cannot be deferred to the same provider, the cancellation policy of the accommodation option will apply.

Students are not permitted to transfer to another provider in the first 6 months of their principal course. If they are on a package visa they will be able to transfer early, having given two weeks' notice to Langports, to their next provider if they have provided evidence of having achieved the required English level to commence their next study program ahead of schedule. In this case unused tuition fees will be refunded accordingly. A valid letter of Offer from their next provider is required in order for a Letter of Release to be given. If the student is a sponsored student, written permission from their sponsor to transfer early will also be required. If the student is under 18 then parents' or guardian's written permission will be required. When a student transfers to another provider under any other circumstances, Langports Refund & Cancellation policy will apply.

#### Other Conditions of Enrolment
